RESPONSE TO NOTICE OF ALLOWABILITY

Sir:

The Notice of Allowability and the Supplemental Notice of Allowability most recently mailed March 28, 2005 does not acknowledge Applicant's claim of priority. As this United States application was based upon a PCT application, namely PCT/SG99/00048, acknowledgment of Applicant's priority claim and satisfaction of all of the requirements for obtaining priority rights for this patent application is requested. If anything is missing, the undersigned is unaware of that, because the priority document for U.S. national phase filing should have been submitted by WIPO to the United States Patent and Trademark Office.

Please therefore send an acknowledgment of satisfactory completion of the priority claim.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class Mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on April 27, 2005:
